2020 Run to the Home: Lisa checked with the Home to see if we can proceed with this event on August 8, 2020. The main building is not open for guests, but the pavilion can be used as usual. After discussion, it was decided that we will have a ride for this event, but not the “scoot & shoot” type event that we have hosted for the past few years. Registration will begin at 10 am, with KSU at 11 am. Ride will last approximately 1 ½ hours. Lunch will be served after the ride. Kathy Burke will update flyers and distribute to members, post on Facebook, post on Chapter website, and distribute to State Association and International for event postings. Prices will remain the same as previous years = \$20 rider & passenger, and \$10 for lunch only. We will have horseshoes and corn hole available at the Home if people would like to play games after the ride. If any member has other games that people might want to play, please plan to bring to the Home that day, or drop off at the meeting the night before. The August monthly meeting will be held the evening of August 7th at the home to begin set up for the 8th. Sean Carbine will handle radio advertising. We will have door prizes available – all members – please plan to bring a donation. Lisa will check with Road Captain Bryan Proper to set up a ride.
