### **New Business:**

- **20<sup>th</sup>** Anniversary of "911" – ceremony to be held at Memorial in Kinderhook. Details to follow
- Insurance will be going up \$76.00. Chapter is currently paying over \$500.00 for insurance. President is waiting to hear from Insurance Agent as to what is/is not covered under policy. Discussion about possibly getting insurance through International per event. Other Chapters do not have insurance. AMA offers insurance. Gene Gaylord, VP of ABATE, stated that they get their insurance through Kneller Insurance. Did not know the price. President will contact Kneller Insurance to get quote. Dan Bransfield suggested calling International to see who they use, possibly get a Rider.
- Chapter 53 holding a Virtual Golf Challenge – no interest by membership
- NYS Association Zoom Meeting attended by Presidents and Vice Presidents of State Chapters to see what other Chapters were doing. Need to get more members involved in rides, having fewer rides with more participation. Having members organize rides and communicate with Chapter. Brought up that ABATE has rides every Wednesday evening, meeting at Whitestone Café.

- Possibly have ride to Dwy's Cabin in Middleburgh
