New Business

Run for the Home

President Funk asked the membership if there was a need to establish a committee for the Run to the Home event. The consensus was that there was not a need at this time, but that one should be formed in June.

Christmas in September

President Funk advised that letters to the FD's need to go out and that Secretary Kathy Burke has been busy with family issues and is unable to perform the task. She will, however, provide the mailing address list to Lisa, who will check with Judith about mailing them out. Gina offered to help as well and agreed to be the contact person on the letter in order to gather the information.

Unfinished Business

Gene Gaylord advised that a former RK29 member, Packy Root, was not in good health and is in rehab.

Gene suggested that the membership send a get well card to him. President Funk will arrange to send the card. Gene also advised that there will be an upcoming benefit ride for him in Defreestville.
